Making Music with Kids: An Orthodox Experience

This workshop, sponsored by the Commission on Liturgical Music [CoLM], is designed to introduce children to basic music reading concepts, as well as teach them simple prayers set to music. No experience is necessary - only a desire to learn more about the services which we attend on a weekly basis. Parents are also encouraged to attend. Lunch

will be provided, along with sheet music to bring home and to use in your parish afterwards! All instruction will be in English. It will take place at Holy Resurrection Church, Wayne NJ from 9:00 am - 3:00 pm. Details and registration are available on the diocesan website in the "Upcoming Events" section, or on the CoLM website (click here).
