The "Address to the Diocese" offered by His Grace, Bishop Michael, during the recent Diocesan Assembly is now available for viewing on the diocesan website. In addition, all of the reports presented at the Assembly and an array of photos from the event are published on a special webpage. In this way, the faithful who were unable to attend as delegates or observers may share in this annual gathering during which the life, vitality, and future course of the diocese were highlighted.

offering a concise discussion on topics (such as Fasting, Baptism, Marriage, etc) in the popular "7 Questions & 7 Answers" format developed by His Grace. On 6 December a video on "Saint Nicholas" aimed especially for children will be available in conjunction with the saint's feast-day.
