Master bless,

On behalf of the brotherhood of the Monastery of St. Tikhon of Zadonsk I would like to thank your Eminence Archbishop Michael and the Diocese of New York and New Jersey for the very kind and generous donation that you made to the monastery for our mortgage. We were very surprised and very grateful! We can't thank you enough for the love that you have shown the monastery in this very concrete and tangible way. Truly the St. Nicholas house has been a land mark in the life of the monastery here offering to us things we never had: offices, rooms, a common area to rest and a few more bedrooms! It has been revolutionary and extremely important in changing the quality of life here for the monastics at St. Tikhon's Monastery. We ask that God would continue to bless you all and comfort you during this Lenten period as we struggle to ready for Pascha. Be assured of our everlasting gratitude and our prayers for you all. May God keep you all in His peace and in every spiritual comfort.

Sincerely yours in Christ,

Fr. Archimandrite Sergius  
Abbot of St. Tikhon's Monastery
