You will also find the latest archpastoral letters from His Grace available in Spanish, thanks to the efforts of John McGuire of Rochester NY. Many of our parishes are located in areas where the local a calculated littleged by the fresher by the laddest state that he had a state of the laddest by population is increasingly of Hispanic origin. Our opportunity, and our calling, to reach out to these neighbors in a spirit of love while proclaiming the Gospel in the fullness of our Orthodox faith is obvious. While traditional Orthodox ethnicities will find it rather easy to obtain materials in their native languages, it is our hope that these letters will open a door for us to begin sharing the faith with those for whom the Orthodox faith is "foreign" and perhaps more difficult to encounter. You can obtain the Spanish version of these letters at:
