

I think it is safe to say that we are all eagerly awaiting the spring thaw! What a winter to be doing outside construction. Needless to say, we have experienced some delays in completing the exterior finish of our Church. However, you can see from the pictures that we are making progress and the church is looking great!

We are really getting excited about the upcoming warm weather and a resurgence of "worker bees" getting things accomplished. We are presently raising money for the electrical, plumbing and HVAC portion of our interior work. Please reach out to us if you would like to make a contribution. Many thanks to a very generous person from Holy Trinity Orthodox Church in Randolph, NJ who presented us with a \$50,000 loan for additional construction. We are inspired and encouraged by such faith and dedication to supporting Christ and His Holy Church.

Thank you for partnering with us in "Making History in Princeton" with the planting of a new Orthodox Church. All supporters of this effort will be considered stewards forever and commemorated each year, by name, on the feast of St. Nicholas. God bless!
