

Are you passionate about empowering women to choose life? ZOE for Life!® is seeking **full time**, experienced and dynamic Executive Director to lead our growing pro-life nonprofit. As the Executive Director, you will have the opportunity to shape the strategic direction and operational execution of our mission.

ZOE for Life!®, is a Pro-Life Orthodox Christian ministry **with chapters in New York, Michigan and Georgia**. ZOE House® **opened** in 2006 to serve Northeast Ohio by providing confidential support and necessities for women who have chosen life for their babies. As the Executive Director, you will expand our services by launching Aria Place, a new medical pregnancy center offering pregnancy testing, ultrasounds and **STD** testing. You will also **oversee ZOE House®**, which has served **more than** 600 families annually since opening.

Reporting to the Board of Directors, your top priorities will be to launch a new medical pregnancy center, which involves developing the startup plan, managing day-to-day operations, hiring staff and recruiting volunteers. You will also be responsible for creating and executing a comprehensive fundraising strategy to support our programs. **You will network with our Chapters as well.**

The ideal candidate will have at least three years of senior nonprofit management experience, stellar communication skills, strong financial acumen and a proven track record in fundraising.

This **full time** position offers the opportunity to empower women facing unplanned pregnancies in Northeast Ohio. If you share our passion for life, we encourage you to apply! Please send your resume to: [paulamk@roadrunner.com](mailto:paulamk@roadrunner.com).
